	Question: What is the # of contractors on the ground?
	Response: Please see www.sitecproject.com/document-library/employment-statistics to view current and past employment statistics. The "Construction and Non-Construction Contractors" worker number on the ground for the month of May 2017 is 2,115. The "Engineers and Project Team" worker number for May 2017 includes 34 BC Hydro contractors who are working on the ground. Therefore, the total # contractors on the ground for the month of May is 2,149
