	<p>Question:</p> <p>FN Agreements – BCUC wants to understand the financial impact upon termination / suspension and would be fine with aggregated numbers. Also, BCUC would like to know the following:</p> <ol style="list-style-type: none">1. Amounts paid, and are they refundable if project doesn't proceed2. Amounts that would be paid in the suspension period before a decision is made3. What gets paid if the project doesn't proceed.
	<p>Response:</p> <p>For amounts paid to July 31, 2017 and amounts that will need to be paid during the period August 31, 2017 to December 31, 2017, please reference the attached schedule. What has not been included in the summary are FN costs associated with consultation on the remediation work for both suspension and termination.</p> <p>164 Site C Review - Deloitte Questions - August 2017 - Attachment</p> <p>[REDACTED]</p>
