(See back for *Conditions*)

GENERAL TERMS AND CONDITIONS OF PERMIT

1. Permits shall be valid for the term stipulated on the front of the permit unless otherwise suspended or cancelled. Extensions to the term of the permit, or other amendments, will be considered upon submission of an application to the Archaeology Branch at least 45 days prior to the expiry date of the permit.
2. The permit-holder shall provide the Archaeology Branch with one (1) bound copy and one (1) electronic copy in PDF format of a written report, in accordance with the standards required by the Minister, outlining the work carried out under the terms of the permit.
3. The title page of all reports must indicate the name(s) of the copyright owner(s) and, where agreed to, a Grant of License statement completed and signed by the copyright owner(s).
4. A person appointed by the branch may at any time inspect any aspect of a project conducted under the terms of this permit. To further their inspection, the appointee may request field data, or conduct excavations within the study area. Notwithstanding the expiration or earlier termination of the term of the permit this provision will remain and continue in full force and effect.
5. Upon completion of any inspection or investigation involving excavations, the permit-holder shall make reasonable efforts to ensure all sites are restored as nearly as possible to their former condition.
6. The permit-holder shall arrange for a secure repository to curate any materials recovered under authority of the permit.
7. Heritage objects and associated materials recovered under authority of the permit may not be sold or exchanged for financial gain. Any other transfer of heritage objects, materials and records, or changes to the conditions identified under the "Disposition of materials collected..." section of the permit, may only be carried out with prior consent of the Minister.
8. The permit-holder shall conform to all requirements that may be imposed by the institution or organization named in the "Disposition of materials collected..." section of the permit.
9. Notwithstanding expiration or earlier termination of the term of the permit, provisions with respect to the "Disposition of materials collected ..." section shall remain and continue in full force and effect.
10. The permit holder shall utilize any site recording forms, formats or systems required by the minister. To fulfill this condition, the site form, mapping, and related documentation must comply with Archaeology Branch directives for site record submission. Failure to submit satisfactory site records will be considered an outstanding obligation, thereby affecting the archaeologists' ability to hold additional permits or obtain amendments.
11. A permit issued under section 12.2(4) does not authorize entry onto land or into a building without the permission of the owner or occupier.

12. For heritage inspection permits, the permit-holder shall submit spatial information (as a shape file in accordance with the standards required by the Minister) of all study areas that were the subject of in-field inspections.
13. The permit holder shall conduct the inspection as described in the permit application, unless otherwise specified in the permit.
14. Where known, First Nation file numbers will be reference in permit-related correspondence.

OTHER CONDITIONS

15. Due to the duration of the permit the proponent and their consultant(s) agree to amend the permit as necessary to comply with changes to Archaeology Branch policy to accommodate new field and lab methods and reporting standards. These changes will not apply retroactively to work already completed.
16. Identified human remains may not intentionally be move, removed, collected or excavated until consultation between the Archaeology Branch and appropriate cultural group(s) has been concluded.
17. The permit holder will allot 25 person/days to inspection of areas, within the study area, that be selected by Treaty 8 First Nations.
18. Treaty 8 First Nations will be notified of any discovery of human remains, regardless of their apparent age.
19. When Treaty 8 First Nations have identified specific sites as spiritually significant, or have defined identifying characteristics of spiritually significant sites in a manner that allows them to be recognized in the field, protocols for the removal of artifacts from such sites will be determined in consultation between the Archaeology Branch and Treaty 8 First Nations.
