Re: Amendment 009 to Alteration Permit 2019-0213 - Granted

Dear Greg Scarborough and James Mooney:

Further to your request of June 4, 2025, the terms of the enclosed permit have been **revised to extend the expiry date to December 31, 2027, and expand the permit area to include site HbRi-13 to facilitate impacts from the proposed Highway 29**. Please note that as this amendment is administrative in nature, it has not been sent out for comment but issued directly. Please keep a copy of the amended permit for your records; the original will be retained in the Archaeology Branch permit file.

The results of your alterations are to be presented in a permit report, submitted in both double-sided hard copy and PDF formats, by **December 31, 2027**.

Should you have any questions regarding this permit, please contact the permitting team who can be reached by calling 250-953-3334 or emailing ArchPermitApp@gov.bc.ca.

Please note that the permit number listed above must be referenced in the subject line of all permit-related emails sent to the Archaeology Branch.

Sincerely

Nathan Friesen

GENERAL TERMS AND CONDITIONS OF PERMIT

1. Permits shall be valid for the term stipulated on the front of the permit unless otherwise suspended or cancelled. Extensions to the term of the permit, or other amendments, will be considered upon submission of a request to the Archaeology Branch at least 45 days prior to the expiry date of the permit.
2. The permit-holder shall provide the Archaeology Branch with one (1) bound copy, if longer than five (5) pages, and one (1) electronic copy in PDF format of a written report outlining the work carried out under the terms of the permit.
3. The title page of all reports must indicate the name(s) of the copyright owner(s) and, where agreed to, a Grant of License statement completed and signed by the copyright owner(s).
4. The permit-holder shall provide the Archaeology Branch with an updated British Columbia Archaeological Site Inventory Form for any site altered under authority of the permit.
5. A person appointed by the Branch may at any time inspect any aspect of a project conducted under the terms of this permit. To further their inspection, the appointee may request field data, or conduct excavations within the study area. Notwithstanding the expiration or earlier termination of the term of the permit this provision will remain and continue in full force and effect.
6. Where a condition for archaeological monitoring of development is attached to the permit, the permit-holder shall arrange for a secure repository to curate any materials recovered under authority of the permit.
7. Heritage objects and associated materials recovered under authority of the permit may not be sold or exchanged for financial gain. Any other transfer of heritage objects, materials and records, or changes to the conditions identified under the "Disposition of materials collected..." section of the permit, may only be carried out with prior consent of the Minister.
8. A permit issued under Section 12.4(1) does not authorize the holder of the permit to enter property, or to make any alteration to property, without the permission of the owner or occupier.
9. In the event that human remains are encountered, all work must cease in the vicinity of the remains and the Archaeology Branch and affected indigenous communities must be contacted for direction, unless otherwise provided for in the permit application.
10. Where concurrent archaeological studies are required, per Section 5 of the application, an Eligible Archaeologist, as approved by the Branch, will be retained by the applicant. Any ground-altering activities must be conducted under the direction of the archaeologist.
11. Where known, First Nation file numbers will be reference in permit-related correspondence.

12. The permit-holder shall arrange for a secure repository to curate any materials recovered under authority of the permit.
13. The permit-holder shall conform to all requirements that may be imposed by the institution or organization named in the "Disposition of materials collected..." section of the permit.
14. Any other conditions that may be specified in the permit.
