**RE: Notice to the Minister under the *Navigation Protection Act* for review of the Fill (RSEM R6), located on the Peace River, located on unsurveyed foreshore or land covered by water being part of the bed of Peace River, Site C, fronting Sec. 15, 16, Twp 83, Rge 19, West of the 6th Meridian Peace River District, City of Fort St. John, in the Province of British Columbia**

Our assessment of your work has determined that it is not likely to substantially interfere with navigation.

Therefore your work is permitted under section 9(1) – Construction, of the *Navigation Protection Act* (NPA) and you may proceed per the attached plans (1) in accordance with the following terms and conditions:

1. The works are to be constructed or installed in accordance with the reviewed plans.
2. During the construction period, the owner shall:
  - a) Post the NPA authorization and its Terms and Conditions at an easily accessible place at the worksite;
  - b) Provide a copy of the NPA authorization and Terms and Conditions to all contractors working on the Main Civil Works components that are on or near the Peace River prior to construction commencing.
3. Install and maintain other aids to navigation as required by the Transport Canada.
4. In the event that the operation of the above works is terminated prior to completion, it will be the proponent's responsibility to remove the works and associated equipment in its entirety from the waterway including any anchors and pilings. The banks and bed of the waterway disturbed by the works shall be contoured to match the local conditions as required.

Pursuant to Sec. 34 of the *Navigation Protection Act*, the owner shall provide unimpeded access to the Minister or their representatives for inspection purposes.

Pursuant to Sec. 5 of the Navigable Waters Works Regulations, all temporary works including piles, false works, silt curtains, construction material or debris, are to be completely removed from the waterway.

Please also note that the NPA, amongst other obligations, requires the owner to immediately notify the Minister if your work causes or is likely to cause serious or imminent danger to
