SCOPE OUTLINE- Participation Payment Agreement for 3 shortlisted proponents for the Turbine Generator RFP 1296

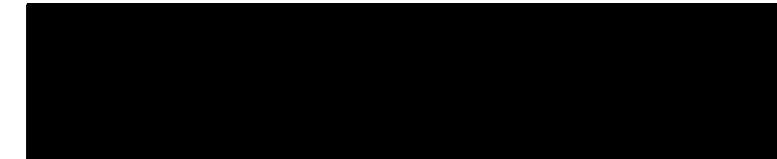

Description

Term

The RFP for the Turbine Generator procurement contemplates a participation payment agreement that needs to be executed prior to the award to the preferred proponent of the RFP.

**December 2013 –
December 2015**

At present there have been 3 shortlisted proponents selected through the RFSQ process.

Under section 4.5 of the RFP, there is a partial compensation clause for participating in the competitive model testing and RFP. The clause contemplates that the following payments to each of the shortlisted proponents under the RFP :

- [REDACTED] upon completion of fabrication drawings for the Turbine model
- [REDACTED] upon submission of a bona fide Proposal (RFP)
- [REDACTED] to each unsuccessful proponent upon selection of the preferred proponent

The participation agreements have been drafted by BCH in consultation with legal counsel [REDACTED] and have been executed by the shortlisted proponents and are now awaiting execution by BCH.

The payment amounts [REDACTED] were previously approved by the IET and Site C – EVP in consultation with Finance and Procurement as being reasonable amounts to compensate the shortlisted proponents for participating in the process.

The funding for the first set -of payments has been budgeted as part of the pre-construction work plan that was approved by the Board in February 2013 for payments made prior to October 2014 (EA Certification) . Payments after certification are budgeted within the total capital cost estimate.

It is recommended to proceed with signing the 3 participation payment
