*A **Registration Package** will be emailed once you have registered. The package will include details about the format of the event, and advice on what to bring and how to showcase your company.*

Site C Worker Accommodation

The scope of the contract includes the design, construction, partial financing, operation and maintenance of worker accommodation at the dam site.

BC Hydro expects that the worker accommodation contractor would begin installation of the accommodation shortly after contract award (anticipated spring 2015), and would operate and maintain the accommodation for up to eight years.

Site C construction is subject to the project receiving environmental certification, regulatory permits and authorizations, and a decision to proceed.

The Site C Business-to-Business Networking Sessions are being hosted together by the Fort St. John Chamber and the BC Chamber of Commerce with special thanks to the Chetwynd Chamber of Commerce, Dawson Creek & District Chamber of Commerce, Fort Nelson, Mackenzie and Tumbler Ridge Chambers' of Commerce.
