

What we're doing to prevent the spread of COVID-19 at Site C

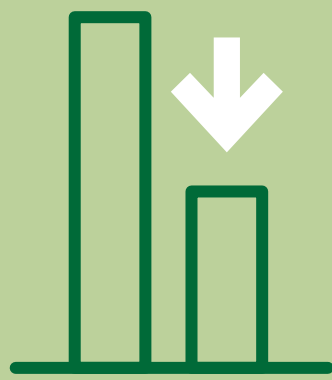

Mandatory pre-screen questionnaire before boarding flights and accessing site

Mandatory temperature check before entering site

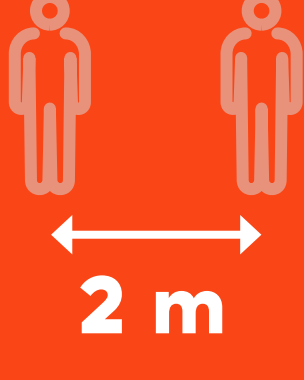

Capacity on airport shuttle and crew buses decreased by at least 50%

50% reduction in camp occupancy

Shifts lengthened from 2 weeks to 6-8 weeks

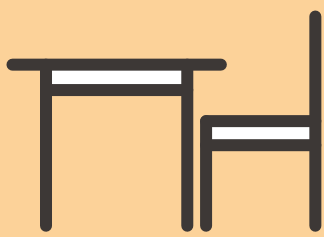

Practice physical distancing

Lodge common areas closed

Reduced the number of tables in the dining hall

One chair per table in dining room

Disinfecting surfaces every 2 hours

Fully-equipped medical clinic

150-bed quarantine capacity

Suspended shuttle between Fort St. John and camp
